Hi Lindsay

Happy New Year to you from everyone at Arras People.

What do we do when the project management experience runs out? That's the question we're asking in the latest article which draws on some of the early insights from this year's Project Management Census.

It's a trend we've been seeing over the last decade - one no doubt you will find as fascinating as we do - [have a read and see what you think](#).

### **The PM Census is Still Open**
