

ARRAS PEOPLE

Welcome to the July Newsletter

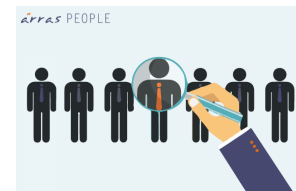

Greetings!

Put down your ice cream and take a break from the heat and enjoy the Arras People newsletter.

In this July edition you'll find news updates from the world of project management, as well as some of this months blog posts and of course our most recent job vacancies.

Whats New?

UK job seekers want companies to use more unorthodox recruitment methods. Job seekers are suggesting we use varried application processes such as escape rooms and professional speed dating. [Read More](#)

The Project Management Institute have recently been updating their certifications in order to align with the Project Management Body of Knowledge (PMBOK) - sixth edition. [Read More](#)

With the advancement of technology what's in store for the future of project management? How will it affect the human side of project management. [Read More](#)

Visit the website to read our full catalogue of Blog Posts

[Camel Blog](#)

With a new study reporting 40% of project managers are stressed we look into the causes of stress and how to overcome it.
